Today, all students in our year have their measurements and a physical taken.
Yoriko-senpai, sorry for the wait!
Let's do the tests together now, all right?
Yes.

Goodness, Sayuri. Did you skip breakfast for the weight measurement?
..Yes.

AH...!
GIRLS

But... Don't you want to get a lower weight on the test, too, Senpai?

She replied with her stomach?!
Senpai skipped breakfast too?!

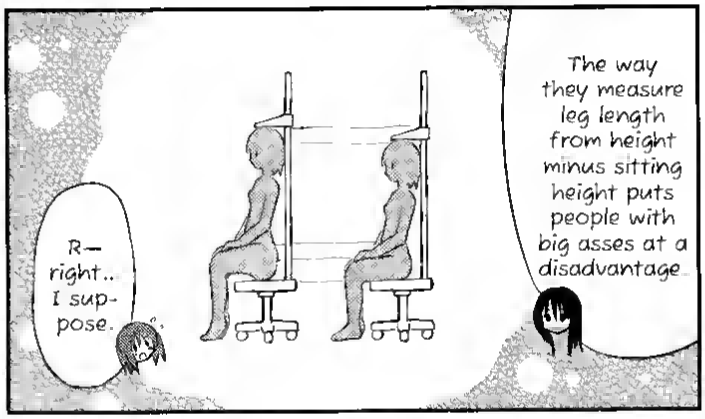
Where do you want to start?
Yes, let's start with the height measurement.
Okay.
『True in some way, but...』
Right, Yoriko-senpai is wonderful in every way...
Comparing all the test results with her will make me come out pitiable...
Do ho ho ho...
Come, Sayuri, line up with me.
Ah, yes.
SENPAI, YOU DON'T NEED TO UNDRESS!

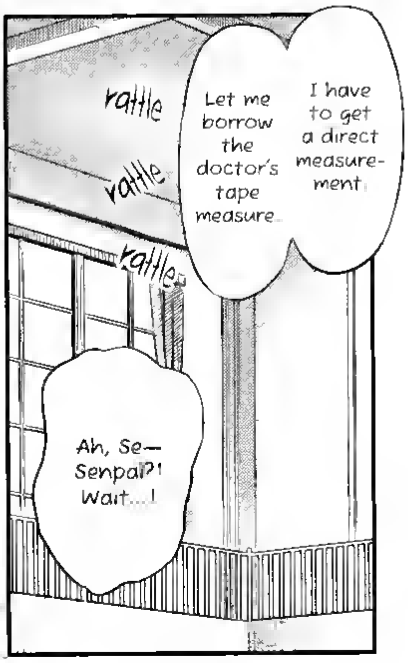
Sayuri, what was your sitting height?
Eh..?
ba dum
『It's common knowledge...』
You get the length of your legs.
Fu fu fu. Sayuri, don't you know? When you subtract sitting height from standing height...
Wh— who really cares about sitting height, right?
shy
So, c'mon, tell me.
THAT'S EXACTLY WHY I DON'T WANT TO TELL YOU!

Sayuri, I just realized...
Wh— what is it?

So I shouldn't have been so hasty earlier. Sorry.



The way they measure leg length from height minus sitting height puts people with big asses at a disadvantage.
R— right.. I suppose.



I have to get a direct measurement.
Let me borrow the doctor's tape measure.

Sayuri, it's finally time to measure your weight!
Yes...
『...Heavy on the heart?』
Senpai, promise me you won't look?
Not look? Don't ask something so unreasonable

Ah?! No way!
How can I be even heavier than this morning?!

Ah, you're Suzune-san, Yoriko-senpai's cousin.

Yoriko-oneesama, surely you'd prefer a slim girl to a fatty!
Now, Suzune. You're rude to Sayuri!

FATTY ?!
SHOCK!
Mweh heh ♪
Oh my, Sayuri-san and I stayed the same height, but you gained quite a bit more weight
um... P— please give that back

Aw!
when a typhoon comes she won't be swept away by it!
Thanks to that fat
Senpai... That's not defending me...

『More suggestive than I thought』
Oh my!
How obvious it became in our gym uniforms
A COUNTRY BUMPKIN, YET STILL SAYURI-SAN HAS SMALL BOOBS!
They're small?!
A BUMP-KIN?!
I am a much better match to Yoriko-oneesama, and don't you know it!

Your insolence must be punished with the pincher attack!

She's my cousin, so it's unavoidable that you'll be dealing with her for a long, long time
I'd like you two to start getting along now...

At school and before others, it was the first time Senpai and I held hands...
